### TEMPORARY POSITIONS

Disaster Relief Employment grants are available to fund temporary disaster-related employment opportunities to assist with local recovery efforts. Jobs available with this grant are associated with disaster recovery efforts such as demolition, cleaning, repair, renovation and reconstruction of damaged and destroyed structures, facilities, and lands located within the disaster area; or related to the delivery of appropriate humanitarian assistance designed to save lives, alleviate suffering, and maintain human dignity to address disaster needs.

### POSITION FEATURES

Individuals may participate for a maximum of 12 months or 2,080 hours; whichever occurs first; or until work related to disaster recovery is completed for that placement. Individuals will be paid from the grant at the prevailing rate of pay for other individuals employed in similar occupations at the same work site (or at least \$15 per hour).
